VILLA CONCHI. *Vila Rodona* - D.O. Cava, Spain

With the aim of paying homage to Conchi, a woman who loved French sparkling wines, our Cava is a tribute to women around the world. A careful selection of vineyards in the heart of Catalunya, protected by the mountain of Montserrat, has been the main focus for the production of Villa Conchi. Our Cavas aim to present a fresher style from a Mediterranean climate: the altitude of the plots has the crucial advantage of cooler temperatures during the night, which help us obtain grapes with a pleasant acidity. And the advantage of using the Chardonnay variety in the blend brings us more fruity and elegant notes. Villa Conchi is full of pleasures and emotions to share in good company. It is certainly the best way to start enjoying the fine "Tapas culture".
